Donating "old school" by **cheque** - especially if you are not comfortable transferring money electronically, is simple and familiar. They offer a substantial way to support our ministries and to meet our budget, allowing you to give a larger gift to help with major outreach or property projects. **Contact Doreen Tunney or Canon Stephen for more information or to make arrangements through the Diocese for the stock or equities transfer.**

You should know

It can take longer to process the sale of stocks and equities through the Diocese. There is a transaction fee deducted for processing the sale charged to the donation to St Bride's
